MASTER

- Research Base Masters (Fining Professors)
- Course Base Masters (Coursework) (Don't need fining Professors before application)
 - Don't by shy to email university

STEP BY STEP!

1. Find Major (Preferred not to have that major in Iran)
2. Finding University (Ranking, Reputation, Fund, Tuition, location, Recent Publication & Researches ...)
3. Finding Department (Research interest, No Restriction)
4. Finding Professor (Google, [Google Scholar](#), ...)
5. Email Faculty Members (Postgraduate, mostly in USA & Canada)
6. Apply University

HOW TO FIND UNIVERSITIES' RANKING

- <https://www.topuniversities.com/> (QS) or google it
- Ranking in a subject
- Do what you love (Research interest)
- Reputation
- Google web ranking of university, department and your major (Local & World)
- Search in "[The Best 386 Colleges, 2021](#)" by Princeton (USA)
- Check university intake online (Summer, Fall, Spring)

LAST OPTIONS

- Not just California Universities (USA)
- states that you have any relatives there
- Professors with “[Technology Alert List](#)” Background

HOW TO FIND PROFESSORS, DEPARTMENT

- Faculty (USA & Candida), People, Staff (Australia)
- Lecturer, Adjunct professor, Retired (Australia)
- Google: Prof. name & university name
- Google Scholar (<https://scholar.google.com/>)
- Professor's webpage
- Try to find his lab team
- Find their Email
- Check them on LinkedIn

LINKEDIN

- Update your account exactly according on your CV
- Connect the professor
- Check shared connections
- Search universities and connect your proper professors in that university
- You can send message in LinkedIn
- Check recently Post doctoral and Ph.D. position in university LinkedIn
- (Check recently IPI (Internal Practical Internship) in companies)

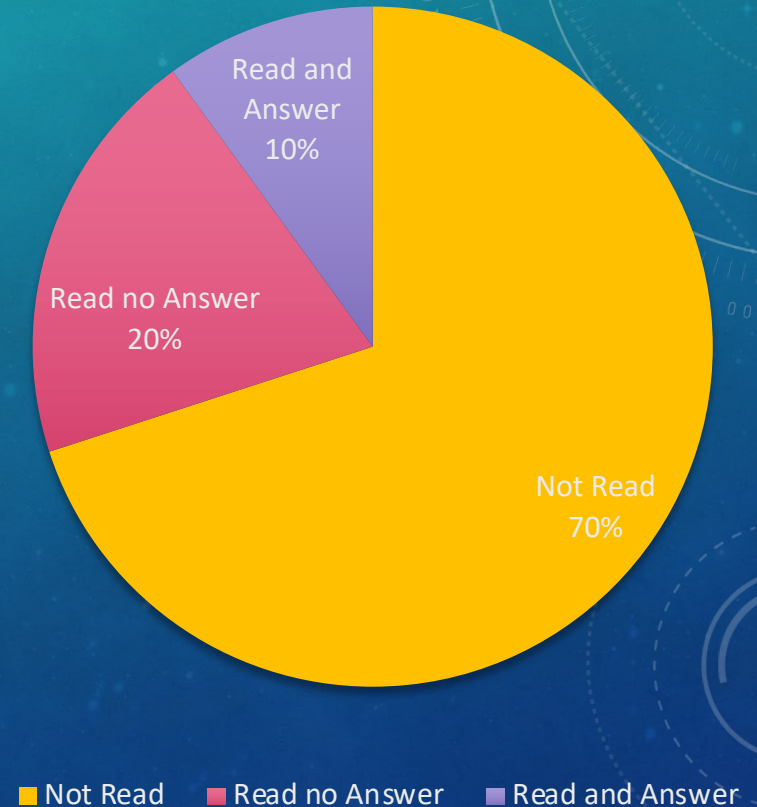

EXCEL (GOOGLE SHEET) WITH COLORS & FOLDERS

University	Department	Professor	Email	Link	Research Inteest	Country/Dead line/...

EMAIL PROFESSORS

- Quality << Quantity Many professors filter their inbox
- Prospective Student
- Just you need one professor
- Don't email professors in same department
- Email in proper time and date (Schedule Gmail) (Weekend!)
- Don't use Email Tracker
- Iranian Professors are supporting
- Email based on university intakes and deadlines (Summer, Fall, Spring)
- You can set your footer in Gmail (Signature)
- 2 Reminder max (Reply your last email after 1 week and 1 month)
- Academic Email: spam! -> Gmail

Emails

HOW DO PROFESSORS READ EMAILS?

- 5 to 10 seconds
- Highlights (Cover Letter)
- CV
- Response, Reject, Save

CONTENT

1. Greeting
2. Introduce yourself (**Bold your points**)
3. Highlights (specific)
4. Ending (Ask)

BOOK

- English For Academic Correspondence ([Link](#))

CONTENT

- Through my undergraduate/bachelor studies, I've passed Courses with the outstanding score in which I've acquired remarkable skills. I'm so interested in ... since I've done many projects related to your recent publications (.....,). I'm skilled in
- I am wondering if you have any position that align/fit my background (don't ask Fund in first email)

CONTENT

- Subject: Prospective Student Fall 2030 – Optimization with machine learning.
- Dear Dr. John,
- I am applying to University of Wisconsin for fall 2030 for MS in Marketing. I have read few of your research publications on Customer behavior . I have worked on similar marketing project involving design and processing online customer data by surveys. I am interested in advertising research area and would like to know about research opportunities to work with you.
- Looking forward for your reply, Mohammadreza

THANK YOU
